All hours to be booked in 5 hour session blocks following a regular booking pattern.

Funded hours must have agreed specific booking session slots allocated to them at this nursery and cannot be left 'floating' to be used on an 'as and when' basis. Hours cannot be 'banked' for future use.

15 hour only funding claims are to be used in term times only and cannot be stretched.

Once your funded hours claim has been submitted additional funded hours cannot be added during the term if the full amount was not claimed originally.

If you are notified by HMRC that you have become ineligible for extended entitlement hours then you will be allocated a 'grace period' by them. Please notify us immediately and we will discuss your new requirements on an individual basis.

Additional Services charges may be applied to bookings – please see our price list for further details. We do not have facilities to accommodate packed meals within the nursery.
